Raiderettes take first 2

The Raiderettes varsity basketball team won its first two games of the season last week, with a 54-43 victory over Gretna and a tough 35-33 win over William Campbell.

Ruby Smith of the Raiderettes led the scoring in both games, totaling 26 points against Gretna and recording 21 against William Campbell.

The Raiderettes jumped to a sizable lead in the first quarter in last Tuesday's game against Gretna, 16-6. Smith scored 10 of her game-high 26 points in the first period of play to give the Raiderettes the comfortable margin.

Lolita Preston scored four and Kim McGrath two points to round out the first-quarter scoring for Appomattox.

The second quarter was closer in terms of points scored, with the Raiderettes scoring 10 against Gretna's nine, but the local team carried a 26-15 lead into the locker room when the first half of play ended.

The third quarter was one of heavy scoring in the Gretna game, as the Raiderettes scored 18 points and Gretnas girls scored 14. Gretna outscored the Raiderettes in the final period of play 14-10, but the lead the Raiderettes had built up through the game was enough to stave off the Gretna attack, and the Raiderettes won their season opener, 54-43.

Smith's game-high 26 points was followed by 23 points by Jackie Cowands of Gretna, 13 points by Patricia Barbour of Gretna, 12 points by the Raiderettes' Lolita Preston, and ten points by the Raiderettes' Sandra Watkins.

Other Raiderettes scoring against Gretna were Kim McGrath with four points and Rhonda Jaggers with two.

The Raiderettes had a poor day at the foul line, missing all 12 freethrows attempted. Gretna hit seven of 17 freethrow attempts for a 41 percent foul shot performance.

Thursday's game against William Campbell was a much tougher contest which went into four overtime periods before a last-second layup by Raiderette Ruby Smith clinched the victory for Appomattox.

The Raiderettes again broke into an early lead, outscoring William Campbell 14-2 in the first quarter of play.

In the second period, however, the Raiderettes could muster only seven points to William Campbell's 12, and the first half ended with the Raiderettes holding a 21-14 edge.

The second half belonged to William Campbell, as the Raiderettes' opponents scored nine points in the third quarter to Appomattox's six points, and eight points in the final quarter to the Raiderettes' four points.

The score at the end of regulation time was knotted at 31-31. In the first overtime period, neither team scored. In the second overtime, Smith scored for Appomattox, but William Campbell's Colleen Cornish scored also to tie the score again. The third overtime period was again scoreless.

Then, at the end of the fourth overtime period, Smith stole the ball in the William Campbell frontcourt and dribbled the length of the floor to score the winning layup.

Smith's game-high 21 points were followed by Corish's 11 points for William Campbell, seven points by the Raiderettes' Lolita Preston, four points by Jaggers and three points by Sandra Watkins.

The Raiderettes went seven for 26 from the freethrow line for a 27 percent foul-shot average. William Campbell went nine for 28 from the foul line for a 32 percent average.

The Raiderettes were scheduled to play Jefferson Forest Tuesday after the Times-Virginian deadline. Thursday they will play Nelson County at home. Game time is 6 p.m.

CARROLL PATRICK AND RONALD KELSO were named junior varsity linemen of the week and back of the week, respectively. See story, page 12.

State parks closings set

Virginia state parks will close some facilities immediately after Labor Day and restrict the use of others in order to conserve energy and reduce operating costs.

The reduction in the number of campsites, picnic areas and trails available to the public will probably have a minimum effect on most individuals and groups who normally use parks this time of the year since most parks will still have one picnic area, one campground and some trails open until later into the fall," announced Ben H. Bolen, commissioner.

He further explained that closing down facilities early this season was made necessary by the effects of inflation on energy and other operating costs on park budgets and the early closing would hopefully reduce costs sufficiently to allow all park facilities to be opened for the 1982 season.

For further information, contact the Department of Conservation and Economic Development, Division of Parks, 1201 Washington Building, Capitol Square, Richmond, Virginia 22219, Telephone: 804/786-2132.

In Alexandria

Jones attends FFA meet

Richard A. Jones of the Appomattox Sr. FFA chapter attended the National Leadership Conference for State FFA Officers September 1-4. The conference was held in Alexandria, Va. at the National FFA headquarters. This is one of nine National conferences being held across the nation.

The Future Farmers of America (FFA) Conference is designed to improve leadership and communication skills, develop an understanding of state FFA officers responsibilities and prepare state officers for more effective leadership roles in their State FFA Association. The Conference is also a forum for exchange of ideas between officers from several states.

A highlight of the Conference is the opportunity to work with the National FFA officers that are conducting the Conference.

Besides the training sessions, the 1981 program included a public speaking workshop, an FFA quiz contest, and a banquet program, all designed to improve the communication skills of state FFA officers.

The National FFA Leadership Conference for State Officers is sponsored by the Merck Foundation as a special project of the National FFA Foundation, Inc.

Richard, 18, a student at CVCC, is the son of Mr. and Mrs. Harold B. Jones of Spout Spring. He is serving as State Sentinel of the Virginia Association of FFA for 1981-1982.
